

A Taste of Pussy (The Bedtime Canon Book 16)

Ed wanted a threesome with another woman, but his wife was having none of it. Then one night, Becca walked in on her husband masturbating to a video of two women making out; at first she was furious with him, but she realized that the film had turned her on too. A dream of a long-ago night of passion with a girlfriend, and she thought that perhaps she wanted that threesome as much as he did! 18 years old and straight from school. Becca and Moira had gone on a month-long trip around northern Europe. They were in Amsterdam, slightly stoned and slightly drunk; at the end of the evening, they went back to the cheap hotel room they were sharing and shared another joint. Both girls were virgins, and they talked about that. Moira said that she thought her tits were odd, and Becca, intoxicated, asked how? Moira pulled her top off. Becca could see that Moira's were a different shape than her own: hers were high and firm, like oranges, while Moira's hung lower, pear-shaped. A pair of pears. She took her own top off, and they compared. Becca said, I think yours are lovely. Just not like mine. Moira said, I think yours are nicer. She paused for a while. What are you like down there? I don't know if mine looks right. I think that if a boy saw it, he'd run a mile. Becca shook her head. I think that if a boy saw a girl's thing, he wouldn't run anywhere. Whatever it looked like. Moira said, Can I see yours, see if it's the same? What do you think looks wrong? A bit embarrassed, Moira said, It's the, you know, the flap things. They seem a bit long. Both girls were laughing a lot; Becca said, I don't know if we should do this! For a bit of Dutch courage, she opened the mini-bar and found some gin; refreshed, she said, Go on then, let's compare. They both took off their jeans and panties. Becca had a thick mat of hair covering her pubis; Moira's was very fine. Becca looked at her friend's labia, then she looked down at her own. She thought they
