

Looking for a man? Heres how to find him... Have you been dating, flirting and trying to find a man for a while now? Are you left wondering what you are doing wrong? Many women are confused and conflicted when it comes to dating and finding a man. Though you may feel hopeless, everyone can find love and romance. You simply must be willing to put yourself out there. For females, this is often the hardest part. Written by a Woman for Women If you are looking for new ideas for flirting and dating, you will find much great information here. This book is written by a woman, for women. It is designed to help YOU find your way in the world of texting, virtual flirting and sexting. You will find that this book is all about empowering women and changing their outlook on flirtation and dating. The author is writing to inspire and motivate other females. Learn exactly how to be sexy and flirtatious Many women want to be sexy and flirtatious, but just are not sure how to do it. Others have even been taught that a woman shouldn't ever act in such a way or that a lady never makes the first move. It is 2015 and a woman can do whatever she wants! That is what this book is all about! Texting takes a lot of the pressure off when flirting, seducing and keeping a flame alive. There's so much less to be nervous about via text... Sexting is a relatively new invention, as texting hasn't been around that long. That's why some people find it intimidating. In reality, it should not be intimidating at all. It should be a relief to know that you can flirt, say provocative things and get a guy going without even having to SAY a word. This book outlines some easy tips and tricks for successful sexting. It will become much easier and more natural as you continue to practice. It's like riding a bike! Find out what really attracts a man If you are one of those women who was taught that it wasn't ladylike to take charge with a man, then you have probably always felt that suppressed in relationships. However, that suppression may actually be what is keeping you single or unhappy in your relationships. Women need to own their sexuality in order to be sexy and alluring. A woman who is self-possessed, confident and assured will impress any man. Men are looking for modern women who aren't afraid to talk about sex and who are willing to go after what they want. This is not 1950 anymore. Get what you want AND deserve Don't be intimidated; get excited instead. Life is short and you deserve to get what you want. Each section of this book is meant to help you become the best virtual flirt that you can be. You will find that any question that you have is answered. Chapters include: "Flirt texting", "Rules for Texting" and even "Seduce Your Guy and Keep him Interested." There is even a bonus chapter entitled: "Flirt Texting Tips." Each chapter will help you to break down your walls, find your inner flirt and feel comfortable with dating in the technological age. Scroll up and click the Buy Now Button to get started today!
