

## BDA Guide to Successful Brickwork

The Brick Development Association has been prominent in fostering the use and appreciation of bricks and quality brickwork. Their Achieving Successful Brickwork provides a definitive source of state-of-the-art information throughout the industry. Providing information and advice, mainly through clear annotated diagrams, this book includes black and white illustrations reproduced from the original guide. It features numerous illustrations, including many perspective drawings. The book is written by recognized experts and endorsed by the BDA and is up to date with the latest practices and developments. It is aimed at students taking courses leading to NVQ 2 or 3, such as CGLI 588, trainers and trainees undertaking NVQ training at work and DIY enthusiasts.
