

## A Foreign Field

Life has been tough for 14-year-old Ellen Logan. With her country embroiled in the Second World War, she's forced to shoulder many family responsibilities. Life's even tougher for Stephen Dearborn, a young British pilot in training at the local airfield. As Ellen and Stephen are forced to grow up before their time, their friendship deepens --- and together they discover that sometimes falling apart is only steps away from falling in love.
