

Dairy and Diapers for Vincent! (Creamy Nursing, ABDL)

Vincent isn't like other vampires. Instead of blood, he needs sweet, delicious cream to survive! He prefers his dairy fresh from a woman's chest, but finding a leaky lady isn't so easy, and he's very hungry... Then Vincent meets Kay, and his lust for her engorged cleavage rages out of control. She'll give him all the cream he wants but only if he agrees to don a diaper and become her very own adult baby! For one night, Vincent submits and puts himself in Kay's loving hands. He's desperate for a drink of dairy goodness, and he'll do anything she asks... This story features nursing and ABDL diaper/age play scenes!
