

## A Traditional Bowhunters Path: Lessons and Adventures at Full Draw

This guide to traditional bowhunting with a longbow or recurve covers all the basics, from proper shooting form to effective hunting techniques to necessary knowledge of wildlife ecology and behavior. Use this solid tool to perfect your skills and to get close to your game without depending on a lot of modern hunting paraphernalia. The latest information on equipment and arrows covers choosing the right ambush posture, using the wind, locating bedding areas, creating effective scent trails, and more. Includes anecdotes from the authors' hunting trips, both close to home and farther afield in the American West, Canada, and South Africa.
