

## All the Broken Pieces

An award-winning debut novel from a stellar new voice in middle grade fiction. Matt Pin would like to forget: war torn Vietnam, bombs that fell like dead crows, and the terrible secret he left behind. But now that he is living with a caring adoptive family in the United States, he finds himself forced to confront his past. And that means choosing between silence and candor, blame and forgiveness, fear and freedom. By turns harrowing, dreamlike, sad, and triumphant, this searing debut novel, written in lucid verse, reveals an unforgettable perspective on the lasting impact of war and the healing power of love.
