

One of Dickens most famous novels, brilliantly introduced by Roddy Doyle. As a small boy at Joe Gargerys forge, Pip meets two people who will affect his whole life - an escaped convict he is forced to help, and the eccentric Miss Haversham, whose beautiful, cold-hearted ward Estella young Pip adores. But when a secret benefactor pays for him to go to London to become a gentleman, Pip never dreams he will meet the dreadful Magwitch again, nor just how wrong his expectations are.
