

Chemical and Biochemical Sensing with Optical Fibers and Waveguides (Artech House Optoelectronics Library)

Developments in fibre optic and waveguide sensing are sparking interest in applications for the technology in chemical and biochemical analysis. This text updates innovations in this field, and describes applications of the technology in medicine, biotechnology and environmental science.

Chemical and Biochemical Sensing with Optical Fibers and Waveguides (Artech House Optoelectronics Library) - eBay J. P. Dakin, Distributed Optical Fiber Sensors Proceedings of the (Artech House, Inc., Norwood, MA, 1988) Artech House Optoelectronics Library Vol. Hieftje, Optical Waveguide Sensors in Analytical Chemistry: Today's Instrumentation, of the Conference on Chemical, Biochemical, and Environmental Fiber Sensors, Chemical and Biochemical Sensing With Optical Fibers and Waveguides (Artech House Optoelectronics Library) - AbeBooks Chemical and Biochemical Sensing with Optical Fibers and Waveguides 33 items Chemical and Biochemical Sensing With Optical Fibers and Waveguides First Edition (Artech House Optoelectronics Library), Boisdé, Gilbert Chemical and Biochemical Sensing with optical fibers and waveguides Chemical and Biochemical Sensing With Optical Fibers and Waveguides (Artech House Optoelectronics Library).
