

What kind of music do you like? For some people, there's an easy answer to that question. But for those who love music, chances are there isn't. This journal is for those people: dedicated thinkers about, and lovers of, any kind of music. With a band name generator, individual song analyses, Would You Rather? questions, fill-in-the-blank prompts, Top 25 rankings, guilty pleasure lists, and more, this journal provides a space for reflecting on music. Engaging, thought-provoking prompts are perfect for every level of music lover—from those who take music seriously to those who are content with any song that comes on the radio—and the varying types of questions make this journal perfect for writers and artists alike.
