

Baseball As America examines how the American landscape, our language, literature, entertainment, food, and summertime living all bear the mark of a 19th-century game that has become intertwined with our nations values and aspirations. Baseball As America is the official companion volume to the National Baseball Hall of Fame and Museums unprecedented national traveling exhibition. Features more than 200 original and archival photographs that bring the game to life on its pages. Perfect for every baseball fan, indeed every American, Baseball As America is a comprehensive panorama of the game America has grown up with.
