

One evening he shocks her by turning the tables, binding her wrists and enjoying all three of her holes... Excerpt: Shortly after she scurried back to her office, I made it a point to stroll down the hall and caught her on the phone explaining and gesturing emphatically. Good, she has to break a date, I thought. A few ticks before eight o'clock, my email alert dings. It's her with a new spreadsheet attachment. Moments later, Stephanie appears in my doorway, minus the jacket and shoes. Nice touch. Come in Stephanie, and please close the door if you would. A cock of her head, slightly, revealing curiosity more than her usual sneer. But she complies. Now, there's nobody around at this point. Even the cleaning crew is way down at the other end of the hall. So as she shuffles across my office with her stocking feet charging the carpet with static electricity, those aren't the only sparks in the room. The two of us alone; months of sexual tension rising. She with anticipation about the results of her extra effort as well as the cost of her mistake. And wondering what I may have up my sleeve asking her to close the door. Mmm-huh, I say, looking only at the computer monitor. Okay. Yep. This'll work. Her sigh of relief is audible. You did fine. So young lady, I say still looking at the screen, are you ready for your reprimand? I turn, look at her deep in her eyes intently, stand and begin undoing my belt. I pull it through the ...

punishment - - Story Tags BDSM is a variety of often erotic practices or roleplaying involving bondage, discipline, The interaction between tops and bottoms—where physical or mental control of the bottom is surrendered to the top—is sometimes ..
