

Cold Turkey (John & Luke - Pt 1)

M/M EROTIC ROMANCE. FOR MATURE (18+) AUDIENCES ONLY. NOTE: Though this is Part 1 to John & Lukes story, it is nonetheless a stand-alone short story as well (no cliffhanger). When John comes home for Thanksgiving after being away to college for 2 years, he unexpectedly finds himself face to face with his old high school crush, Luke Rivers. Shocked that Luke even knew he existed, John is thrilled to learn that Luke previously assumed to be straight had nurtured his own secret fantasies about John when they were in school. John exhibits no resistance to Lukes charms, yet remains incognito when his dad is present as he has yet to openly admit to his father that he is gay. While assuming that Luke has the perfect relationship with his own father and is accepted for who he is, John soon discovers that not all is at it appears.
