The first volume of the Kaleb Sutra presents 14 erotic and sexually-charged short stories, written and illustrated to stimulate and push your limits in the bedroom, and beyond with 92 sports themed reasons to make any day of the week date night! Excerpt Chapter 1 Baseball- Each time I slam into you, your breathe gets caught in your throat as if you've just been hit by a fastball Starting Positions is far from the normal drab and boring descriptions of normal position books, the erotic stories compel you to jump in and start creating your own stories. Put the action back into your date night!! With useful hints and tips sex notes provided for each position, to allow each playmate whether you're in charge of that round, or just riding the wave to get experience and enjoy each position the way the Kaleb Sutra practiced, perfected and intended! The Kaleb Sutra firmly believes that sometimes all it takes to spice things up in the bedroom (or outside of) is having a few new tricks up your sleeve. Learn about new ways to enjoy sex again and exactly how to impress your playmate. Get into the Starting Position !!! A final note from Kaleb. Sex, like life is a journey of self discovery I'm inspired by the unwillingness to conform to the belief that sexuality in the modern age is true to human nature, when history is literally painted rich with demonstrations of the true sexual potential represented by societies past. Sexuality is the one thing that makes all of us alike and I'm driven by the

potential to draw attention to the importance of our sexuality and contribute to the shifting global paradigm of sexual awareness and acceptance.
