

The Broadview Canterbury Tales is an edition of the complete tales in a text based on the famous Ellesmere Manuscript. Here one may read a Middle English text that is closer to what Chaucer's scribe, Adam Pinkhurst, actually wrote than that in any other modern edition. Unlike most editions, which draw on a number of manuscripts to recapture Chaucer's original intention, this edition preserves the text as it was found in one influential manuscript. A sampling of facsimile pages from the original manuscript is also included, along with a selection of other works that give the reader a rich sense of the cultural, political, and literary worlds in which Chaucer lived. The second edition includes a new Middle English glossary, a timeline of Chaucer's life and times, and detailed page headers showing the fragment and line numbers to assist readers in finding a specific section of the poem.

Chaucer and his Tales - Canterbury Tales The Prologue to the Canterbury Tales. Lines 1-200. Geoffrey Chaucer. 1909-14. English Poetry I: From Chaucer to Gray. The Harvard Classics.
