

# Tao-Te-Ching: With summaries of the writings attributed to HuaiNanTzu, KuanYinTzu and TungKuChing

Translated by Derek Bryce from LaoTzu on Wiegiers 1913 French rendition of his Les Peres du Systeme Taoist. This volume also contains Bryces summaries of writings attributed to HuaiNanTzu, KuanYinTzu, and TungKuChing from Wiegiers Histoire des Croyances et des Opinions Philosophiques en Chine. Bryce demonstrates a conscious commitment to both the original Chinese text and the profound insight of Wiegiers work. A Taoist classic to read again and again. Illustrated.
