About The Author:When the author, Jasmine Borschberg, first laid eyes on the Dutch Flat Hotel, it was love at first sight. Their first acquaintance was quite pitiful, for the hotel was boarded up and surrounded by a chain-link fence, looking like a captured prisoner. As time went by, Jasmines fascination and obsession only grew stronger. One fateful day while passing by, she finally succumbed to the mysterious powers of the old hotel. An irresistible urge took over, and the next thing she knew, she found herself breaking and entering. She slipped through a window, and once inside, her imagination took over. The hotel was coming to life right before her eyes! The romance between them could no longer be denied. All the fantastic antiques and artifacts had stories to tell of days gone by.

I knew, right then and there, that I needed to find a way to share these stories with all of you. I hope you enjoy the fruits of this unusual relationship.
