

Church Gurlz III: The Aftermath

Doreen Lakatos is six feet in her grave, but there is a new sheriff in town. Mother Veronica Stephens, newly appointed Womens pastor of Brandon View International Church, is a self-righteous bigot who goes after the inheritance of the Lakatos men. She is sharp, determined and willing to do anything to create the biggest scandal in Church history. Jasmine Benton-Fowler, former love interest of both Lakatos brothers, is back in town for a joyous event. However, something tragic happens, which forces Jasmine to stay in town longer than she is welcomed. Her stubbornness to leave, makes room for the devil to move in. In Church Gurlz 3 (The Aftermath), the message of forgiveness and hope rings loud and clear. If your father had killed your mother, or if your mother, for thirty years had lied to you about who your real father is, would you be willing to forgive and forget? A test of true character is unraveled in a surprising twist.
