[Siren Classic ManLove: Erotic Alternative Paranormal Romance, M/M, shape-shifters, sex toys, HEA] On the worst day of Salvador Cavalcantes life, he meets a man destined to be his mate, something sacred where he comes from. Little does he know that mating Davi will make him an alpha stronger than most and more dangerous. Davi Braizer is an omega. In his world, that means he is to stay hidden from sight, not allowed to speak to anyone, and at the alphas beck and call every day of his life. Its a miserable existence until his alpha is defeated by a man who just might not be completely human. When Salvadors past comes back to haunt him, hiding his true nature is no longer possible. If he wants to keep his mate safe, he'll need every ounce of power to defeat the man bent on destroying him. And that means becoming the monster everyone fears. ** A Siren Erotic Romance
