

## The Double Ds

Take a hidden toy box, a dash of secrets and add few confessions Love was supposed to last forever. For Mackenna, it lasted seven years. Now, replaced by a plastic doll, shes moving out of the apartment shed shared with her ex and settling into a home of her own. Its the last night in her old apartment, a place filled with memories, and Dean (with his boyfriend Danny) are there to make sure the last few she has are the best shell ever have. The thing is, maybe Dean and Danny dont want to simply be memories
