

Beauty Is Slim And Lean: Living PRO ANA The Healthy Way

Pro-Ana: Beauty is Slim and Lean A lot of people nowadays think that Anorexia is a disease which must be treated as soon as possible since it is very harmful and may even lead to death. This is mainly because so many psychological and medical experts have done their research and came to that conclusion. And so today, those of us who opt to become lean models, celebrities and regular young men and women are criticized for wanting to be so. Unfair, isn't it? Some even meddle in their affairs force-feeding people or bringing them to therapists thinking that it would help them. In most cases there's nothing wrong, they just love to feel slim. The trick is staying healthy at the same time. Many of those experts do not see the point that the desire to be slim and lean is a personal lifestyle choice which should not be hindered. Instead, it should be accepted embraced, even. Luckily, various groups are ready and willing to lend a helping hand. There are even websites which support this idea. This would aid individuals who prefer to stay slim and those who are thinking of shedding the pounds to become a lean-machine. One does not have to wallow in other people's condemnation for having a different concept in terms of the right body image. Just knowing that you are not alone and that there are so many other people who have the same thoughts as you have is a huge confidence booster. Hopefully, this e-book would help you, too. To those who are thinking about becoming the new slim person they've always wanted to be, this book will help you get started. This would also be beneficial for those who are already slim as to what to do to keep those hated extra pounds off and staying healthy at the same time. Finally, this can help people feel confident about what they really want to stay slim and lean. Dealing with the disapproval of family and friends is never easy, just stay positive in where and who

you are.

Beauty Is Slim and Lean, Amy Charles 9781499735888 For many sufferers, anorexia becomes a means to retreat from everyday life. to perceptions of beauty that focus on slim, lean bodies (Gordon, 2000 Grogan, 1999). Established by those living with anorexia, the pro-ana movement challenges do not want to eradicate the illness, but want to find safe ways to live with it.
