

When deciding which athletes to profile, our editors take into account not only a player's statistics, but also his character. SPI takes care to select athletes who are known to be community minded and can serve as role models. The biographical material on each athlete covers him from his earliest days to the present.

LAS CONFESIONES (Spanish Edition), Advanced 3D Game Programming With Microsoft DirectX 8.0 (Wordware Game Developers Library), The Song Each Bullet Sings: The Story of Operation Iraqi Freedom Through the Eyes of One Marine, The works of Thomas Carlyle Volume 25, The Diary of the Other Health Freak, It Workers: Human Capital Issues in a Knowledge-based Environment (Research in Human Resource Management), The Lady of Stonewycke (Stonewycke Trilogy, Book 3), When Christ Comes, The Sacred Hoop: Recovering the Feminine in American Indian Traditions,
