

The breathtaking conclusion to the DragonKeeper chronicles! The fantastic land of Amara is recovering from years of war as well as from the spiritual apathy corroding the Amaran hearts. With Kale and her father serving as dragon keepers for Paladin, the dragon populace has exploded. It's a peaceful, exciting time of rebuilding. And yet, an insidious, unseen evil lurks just beneath the surface of the idyllic countryside. As Kale and her father are busy hatching, bonding, and releasing the younger generation of dragons, the light wizard has little time to develop her skills. Her husband, Sir Bardon - despite physical limitations - has become a leader, serving under Paladin. When Kale and Bardon join the dragons on a quest to find a hidden colony, they encounter sinister forces. Their world is under attack by a secret enemy...can they overcome the ominous peril they can't even see? Truth has never been more important, nor so difficult to discern. Prepare to experience breathtaking adventure and mind-blowing fantasy as never before in this dazzling, beautifully-crafted conclusion to Donita K. Paul's popular DragonKeeper chronicles.
