

New Money, New Men: An interracial BWWM erotic romance

Ariana has ascended class and found herself in a new circle of white socialites who live by a code different from the one she grew up with in the hood. She's had a lot of trouble finding love amongst snooty socialites but her friend Maggie sets her up with a man who is more than she could have ever hoped and dreamed of. Not only is Sam white, but he's from one of the wealthiest families in her small town! Find out how the two get to know each other amidst class, decadence and new wealth!
