

Erin

Short story (2731 words). As their relationship begins, two women spend the night together. Lauren feels close to Erin, but isn't sure how to tell Erin she really likes her. Erin is feeling the same, and asks Lauren to do something with her they haven't done before. Lauren, falling for Erin, trusting her, says yes. ----- And um, hi. This is Tess. Sorry, this is a bit of a weird change in tone. Before you buy this, I just wanted to say that everything I write is available free too. Yes, this story here, along with everything else. Just to be really clear, so no-one is upset when they realize later on. So if you would like to buy it, I would really appreciate it, and that would be fantastic. But on the other hand, if you'd rather try reading a little first, or would rather not pay at all for whatever reason, then please come to my website or Wattpad and read there! This story is here as a sample, pretty much. So you can try a single story if you'd like to, rather than get a whole anthology collection. This story is included in the collection called Getting Into a Girls Shorts: Short Sometimes-Erotic Fiction about Women With Women, which is also for sale on Amazon. And thank you for looking at this! Oh, and this story contains adult content.
