

An introduction to the life and work of one of the most significant and notorious American writers of the 20th century. Ernest Hemingway's literary status alone makes him worthy of a biography. In addition, his life reads like a suspense story—its full of action, romance, heartbreak, machismo, mishaps, celebrity, and tragedy. He had first-hand experience of several historic events of the last century, and he rubbed elbows with many other notable writers and intellectual greats of our time. Though his reputation has weathered ups and downs, his status as an American icon remains untouchable. Here, in the only biography available to young people, Catherine Reef introduces readers to Hemingway's work, with a focus on his themes and writing styles and his place in the history of American fiction, and examines writers who influenced him and those he later influenced.

John Wooden: The Inspirational Life Story of John Wooden; Basketball Coach, Leadership Instructor, Family Man, and The First Man To Be Inducted Into ... Hall of Fame As Both A Player and A Coach, Shadows Of A Princess: An Intimate Account by Her Private Secretary, The Best Ever Guide to Getting Out of Debt for Drug Dealers, Structures Congress 2009: Dont Mess with Structural Engineers - Expanding Our Role, Pilates (Fitness for the Mind and Body),
