Meow. That's the sound these vixens make when the right alpha males make them purr. They crave these men and will get them at all costs, finding love, sex and intrigue every step of the way. 1) I Borrowed Your Husband 2) Dominate Me, You Handsome Black Man I Borrowed Your Husband: It was a normal work day at the front desk of the hotel, until Stephanie was greeted by the most handsome black man she had ever seen. As she was getting ready to give him a free upgrade to a premium suite, his bossy wife came out of the woodwork nagging and belittling him. After his wife stormed off, Stephanie told the man, Lance, that he deserved to be treated better, and if he wanted a night with a woman who would treat him like a king, to come to her room later. Lance takes her up on that offer, and Stephanie tells him to take out all of the frustrations of his marriage and his buried passion on her tight little white body. Dominate Me, You Handsome Black Man: Priscilla is a southern belle redhead who always had a fantasy for black cock. That fantasy walked into her life in the flash when John, a muscle bound, motorcycle buff met her in front of a bar. After pounding her out in a back alley, naked, bent over his motorcycle, Priscilla just can't get enough of his magic. They've known each other for a week, but Priscilla is addicted. Tonight, John orders her to come over to his house at 8 p.m., not a minute early and not a minute late. Will she get there on time? Either way, it appears that punishment is on the menu
