

Family Ever After (Fostered by Love)

Three foster kids fell into Noah Maxwell's lap and turned his life upside down. The successful businessman knew nothing about children, so he hired single mom Cara Winters to help care for his new brood. Cara sensed that despite Noah's confident facade, old wounds troubled him. But he refused to discuss his past pain, despite her desire to help him heal. Perhaps her love could inspire Noah to relinquish his independence and give Cara and the children the fairy-tale ending they all deserved.
