

Everyone is in the game. FEUDAL LAND Government Acronym: TM FEUDAL – Forced Economic United Domestic Alliances Limited Cam McGee’s school bus grinds to a halt from an EMP blast, which she realizes is part of a series of carefully planned terrorist attacks. Seventeen-year-old Cam, the daughter of a doomsday prepper, and Jaren, a foster kid she barely knows, head to a prepper’s enclave deep in the Carolina Mountains. The glitch in her survival plan comes in the form of a dream from God, telling her to deliver two young kids to their grandfather, the notorious General Mors, who is running the most ruthless cell of the government alliances. Cam believes Gods will trumps everything, including whether she lives or dies. Jaren trusts only in himself and his growing feelings for Cam. Can he save himself and Cam when she is willing to throw it all away for a dream? Or is there something really worth risking your life for?
