

## Coaching youth football

This book shows you all you need to know about coaching a youth football team. Formations, plays, defense, and the kicking game. A book of the nature of Coaching Youth Football has been needed for a very long time. Dan Nappi is a qualified author to produce such a book. I feel that Dan has composed a book that is must reading for any person, including parents, who is or is planning to become involved with little league or junior league football. -- John E. Delaney, Former Commissioner, Ute Football Conference
