They say knocked up like its a BAD thing! ;) WHATS PACKED *TIGHT* INSIDE: Brats FERTILE Curves Even Curvier! UH-OH! Petite little Cindy got what she wanted: a milky, full chest; feminine, childbearing hips and the curves she always dreamed of. Problem is, she had to TRICK the man of the house to get them and now his wife is starting to suspect Cindys baby looks a little *too much* like somebody she knows! The only way out is to run away, just the man of the house and his *two brats*. Cum swallowing, bondage, bukkake, and finger fucking ensues until Grant decides what the brat REALLY needs is to be DOUBLY PENETRATED! With a shaft in all her holes and another forbidden baby on the way, life couldnt get much better for the brat until BOTTLING THE BRAT Young brat Michelle ran off to Hollywood in hopes of making it big, but all she got was a baby and bills. Moving back in with the boy she grew up with, the milk in her breasts may be flowing, but the money to support her new **bundle of joy** sure aint. That is, until, the perfect opportunity presents itself to make it BIG on her BIG boobs. There are people out there who will pay \$ TOP DOLLAR \$ for prime, grade-A tit milk but with a newly burnt hand and a broken pump, just WHO will squeeze out all of her delicious creamy goodness? Why, the same forbidden boy who will FUCK and FILL her with her second baby, of course! DRINKING the Fertile Princess Poor little Mishka. Not only did her boyfriend KNOCK HER UP and leave her, but shes going to be in SO MUCH TROUBLE when the man of the house finds out she spilled the milk! He runs a

diner you see, and really cant afford to let a single drop go to waste now that a competing eatery has opened up across the street. Luckily for the brat, in her case theres no reason to cry over spilled milk but theres plenty of reasons to CUM over it! The two men of the house have gotten this crazy idea in their heads that the only way to save their failing diner is to craft the thickest, most delectable milkshakes using Mishkas delicious, creamy, and oh-so addictive tit milk! Turns out horny old men will pay \$ top dollar \$ for something that slides down their throat... and the best way to keep that milk flowing is for the man of the house to slide into her pussy!!

WARNING: This super steamy three-book anthology contains explicit depictions of intense, taboo baby-making between young, fertile minxes and their various forbidden men. Characters are consenting adults (18+) whom share a non-blood relationship which may be considered offensive to some readers.
