

This is the complete collection of the Naughty Nikki's BFFs series. It contains books 1-6. This coming of age story tells the cautionary tale of how rumors can destroy friendships and how we often hurt the one we love the most. Follow the five BFFs as they transition from enemies back into friends and then into something more. Nikki was cruelly cast out of her group of friends 3 years ago. Since then, she has been the subject of vicious rumor mongering at the hands of her four former friends. The ringleader and primary source of her torment has been her former very best friend Julie. Naughty Nikki and her BFFs Series is a thrilling tale of misunderstandings, revenge and eventually redemption. For these five friends when their passions run high often their judgment is impaired, their best intentions are mistaken for something else and rumors spread like wildfire.
