

# Motion Leadership in Action: More Skinny on Becoming Change Savvy

How motion leadership moves educators to action! In this indispensable sequel to the bestseller *Motion Leadership*, Fullan shares the real-life strategies and results of educators who have used motion leadership to propel entire organizations and systems forward. Success stories from the US and around the world illustrate how educators can use a small number of specific actions to generate momentum for lasting change. Fullan addresses:

- Creating and leading movement in the right direction and at the right time
- Implementing a ready-fire-aim mindset
- Emphasizing the importance of collaboration
- Forging relationships while handling resistance
- Establishing your change stance in order to get better results
