

Peaches (A Futa on Female Transformation Erotica)

Pageant girls can be so ruthless! Missy is determined to win the title of Miss Milky Way Galaxy, but there's one gorgeous contestant standing in her way: Peaches, the reigning queen of Atlanta, Georgia! So, Missy concocts a sweet little elixir that will make the bathing suit portion of the competition a bit more, um, challenging for Peaches. But, once Peaches drinks, Missy ends up being a victim of her own game. Peaches is a 4700-word scorcher of erotic fiction. **WARNING:** Not for the weak of heart, and for adults 18+ only. This work of fiction is the product of the author's wild and fun imagination. Any similarities to real life characters, places, and events are completely unintended and purely coincidental. Please further note that all characters depicted are of legal adult age. It contains extremely graphic descriptions of sex acts, including futa transformation erotica, particularly, a female to male transformation. If you are offended by the nature of such stories, please do not purchase this book. Otherwise, enjoy.
