

Game On! tells the heady story of women's basketball in Seattle — and beyond — through the careers of three of its players who embody the sport's past, present, and future. Written by the only reporter to follow the team since its inception, the book explores Lin Dunn's daunting role as the Seattle Storm's first coach; Lauren Jackson's hard-won superstardom; and Betty Lennox's amazing career made possible by the struggles of her predecessors. Set against a backdrop of male chauvinism, racism, and homophobia, Game On! is an inside look at this much-misunderstood sport.
