

Fertility Clinic, Stories 1-3 (Bareback Medical Exam Erotica)

Fertility Clinic 1 Marissa Calloway wants to get pregnant, which is why she's sitting in the waiting room at the Women's Health clinic. But when the handsome Dr. Mason finds out what she wants, he decides he has to be the one to give it to her. He wants to spread her legs and fill her up, and claim her right there on the examination table. So he begins her physical examination, his strong hands roaming over her vulnerable body, massaging and exploring. Before Marissa realizes it, Dr. Mason goes from unprofessional to downright naughty. But Dr. Mason doesn't just want to give Marissa an examination to remember; he's determined to impregnate her as well.

Fertility Clinic 2 Dr. Mason is tall and handsome and imposing. And that doesn't make Tanya Neilson any less nervous about her exam. She's never liked doctor appointments: they're so strangely intimate and invasive, and she feels vulnerable lying there practically naked on the examination table. But Dr. Mason is determined to make this exam a pleasant experience for his patient. He'll coax her to relax with his skilled hands. He knows just how to use his tools to make Tanya melt with pleasure. And then, finally, he'll claim her. But Tanya is thrilled to learn that Dr. Mason wants it rough and bareback. He wants to impregnate his submissive patient.

Fertility Clinic 3 Gloria Bridges isn't feeling so well, but she doesn't want to go to the emergency room. She calls her doctor for some expert advice instead. But Dr. Mason decides he can advise Gloria better in person, and he pays his patient a house call. Gloria reclines on her couch, while Dr. Mason unbuttons her shirt and gives her a thorough examination. She finds herself excited at being alone with the handsome doctor, and soon she doesn't feel so bad after all, with Dr. Mason's sure hands moving over her body. He knows just how to make her feel better...with a rough, risky bareback encounter.
