

## Healing Streams

Healing Streams is a beautifully written must read book giving Hope & Peace, while offering clear paths to Healing & Wholeness in a fragmented world. Dr. Johnson writes with depth, compassion, & wisdom from 30 years experience in healing work as a licensed counselor, hospital chaplain, clinical supervisor, & pastor. This is a beautifully illustrated full color book that can be life changing for any seeking healing from emotional, physical, or spiritual afflictions. A Study Guide is provided that is a vital resource for recovery/support groups or individuals on healing topics leading us all on journeys to freedom & wholeness. -C. Barber, RN
