

Its the last day of vacation and Miley is feeling frisky.Only, her husband is being a total buzz kill and opts to go to bed early. Already frustrated with their dull, virtually sexless marriage, Miley pouts to the bar and drowns her sorrows. While at the bar, she catches the eye of two handsomely muscular black men. When she goes to soak in the hot tub, the men politely ask if they could join her. What happens next isnt so polite, as a game of good old fashioned truth or dare turns into Miley being spanked, licked and banged by these two well hung men. WARNING! This book is intensely HOT! You are guaranteed to be stimulated beyond belief after reading this 5,000+ word erotic thriller. You will be titillated with these steamy depictions of WW/BM sex, gang banging, throat action, doggy style, oral sex, self pleasure, dominance and submission and so much more. EXCERPT:Miley didn't get it, and he noticed. The light skinned one chimed in. "They have a sweet tooth for chocolate," he said. "Oh, really?" Miley said, her cheeks reddening again. "Yeah," the dark skinned man said. "And judging by that facial expression and the little tease you put on a minute ago, I'd wager to say you like the taste of chocolate as well," he said, boldly. Miley grinned and looked to both sides of her. "I'll never tell," she teased. "Oh, I have my ways of finding out," the bald headed man said, taking a sip of his beer. "Truth or dare." Miley frowned. "What am I, fifteen?" she responded. "No, but rules are rules. When someone says truth or dare, you have to play," the light skinned man joked. "Fine. I'll play along," Miley said. "Dare." The two men recoiled, as if they weren't expecting her to cut right to the chase. They looked at each other. "What, do you not want to play anymore?" Miley teased. The light skinned man cleared his throat. "OK, dare. Well screw it. We're in Jamaica so we should go hard or go home," he began. "I dare you to lose the top and let us see what's underneath. Miley quickly snapped to reality. She didn't know why, but she expected them to ease into those kinds of dares, at which point she could just enjoy the attention she had received and wish them goodnight. But as she thought about it, it excited her to no end. Maybe it was the full moon, or maybe because she was here, with these two sexy ebony men, but she suddenly felt the need to be adventurous. Perhaps it was the risk of getting caught with her tits out by other vacationers, or perhaps it was the fact that her husband was here and she was doing all of this under his nose. But she was ready. "Sure thing," she said with a smile. Miley reached a single hand behind her back and pulled the string on her bikini, allowing her top to fall freely into the water.
