An erotic short story. This story is so hot, the rules don't allow it to be described completely. See the look-inside for the full description. Eighteen-year-old Joel is shy around girls, despite encouragement from eighteen-year-olds Penny and Erin. When Erin accidentally sees him naked, he's humiliated, but what makes it worse is that he just came from the pool, where shrinkage had occurred. He tries to set the record straight with the two girls, which leads him to a surprising taboo encounter with Penny. Contains graphic descriptions of taboo sex. Adults only. 9,795 words, or 40 standard pages, in length. (Not including supplementary material)
