

Powerboating: A Womans Guide

For the past decade, women have been the fastest-growing segment of the powerboating population. This latest book in the popular Ragged Mountain Press Womans Guides series delivers a timely, top-to-bottom introduction to powerboating. Addressing a vast range of issues that concern women particularly, author and veteran boater Sandy Lindsey covers everything readers need to know, from getting started and driving the boat to reading weather and mastering the art of anchoring. Powerboating also considers the details of effective maintenance. Best of all, readers are presented with a rich spectrum of perspectives, opinions, advice, and anecdotes from many powerboating women, each of whom has loads of real-life experience.
