

Within yourself lies the cause of whatever enters into your life. To come into the full realization of your own awakened interior powers is to be able to condition your life in exact accord with what you would have it. With more than a million copies sold worldwide, Henry Ford is said to have given away hundreds of copies of this life changing bestseller. This is the spiritual classic that offers inspirational perennial wisdom from one of the great mystics and writers. Before New Age there was New Thought, a philosophy that sought God through metaphysics and was wildly popular in the late 19th and early 20th centuries. American mystic and best-selling author RALPH WALDO TRINE (1866-1958) was one of the most significant writers on New Thought principles. Here, Trine examines how to strengthen connection to the Infinite Mind to enjoy a free-flow of abundance, personal blessings, and a strong sense of so necessary ones well being. Originally published in 1897, this timeless book inspired a generation and sold more than two million copies in its day. It is thought to be a fundamental work of inspirational writing that led to such bestsellers as Think and Grow Rich, and The Power of Positive Thinking. CONTENTS. I. PRELUDE II.
