

A to Z of Palmistry

Hands reflect the whole person: their motivation, personal needs, temperament, and spirit. Analyzing hands to better understand ourselves and others is what palmistry is all about. In *A to Z Of Palmistry*, Judith Hipskind Collins shares her knowledge of palmistry and explains why hand analysis works. This trusted guide includes over 185 illustrations and features a unique palmistry dictionary of more than 250 personality and character traits, along with their corresponding physical features. It also includes a complete interpretation and analysis of three actual palm prints. Suitable for both beginners and professional palmists, this book shows how to read and interpret every facet of the hand - the shape, gestures, flexibility, mounts, fingers, lines, and nails - and then synthesize the various factors in a holistic and positive way, focusing on using the information in a constructive manner. *A to Z Of Palmistry* even includes tips on finding a reliable palmist.
