

Blushing: Expressions Of Love In Poems And Letters

The thumping of your heart in your chest. A pit in your stomach. A blush. These are the symptoms of love sickness, and if you've ever experienced them, this book is for you. Critically acclaimed poet and anthologist, Paul Janeczko has turned his attention to a new compilation of love poems for teens that collects the most poignant and moving musings about love from a diverse group of classic poets and writers like Shakespeare, Dickinson, Whitman, Millay, Angelou, and many more. This is a book girls will carry with them always. They will dog-ear the pages, pass it to friends, sleep with it. And they will go back to it again and again and find in it the drama, the pain, the joy of loving.
