

Rush To Destiny

RUSH TO DESTINY is based on the early life of the west's most quintessential hero, Edward Fitzgerald Beale. Ned Beale crossed the country horseback 13 times, he was the hero of the Battle of San Pasqual, the leader of the great camel experiment, carried the first evidence of the California gold rush to congress, fought the slave trade, was an Indian agent in California, and so much more. Beale's exploits eclipsed those of Fremont, Stockton, Custer, and even Kit Carsons, who said of Beale, I can't believe this man, Ned Beale. My finest compliment as an author came from a California high school history teacher who said, my students learn more California history from your book than from all their texts, ...and love doing it. Don't miss the adventures of this true hero.
