

The Mystery Library - Life After Death

Since ancient times people have wondered what happens after we die. Virtually all civilizations -- both past and present -- embrace the idea of life after death. Notions of heaven, hell and purgatory are discussed as well as the idea of reincarnation, which suggests people live many different lives on earth. Varied accounts of both near death experiences and past lives memories are included, all lending support to the view that death is not really the end but another beginning.
