

Widowed, Jilted & Pregnant On The Wagon Train West, is a truly emotional and spellbinding story of a fiercely independent Frenchwoman who is first widowed, and then pregnant, then jilted by the man she corresponded with to become his mail order bride. After the long journey from Europe to the US, she decides to undertake an even longer and far more hazardous one, when she joins a wagon train and a family of Latter Day Saints on the way to Salt Lake city. After a few days they begin calling her Lioness, and she soon proves that she can live up to the name. Mail Order Bride: A Widowed & Pregnant Wife For The Broken Rancher-- A widowed and pregnant woman decides to take the plunge and go out west to be the mail order bride of a Montana rancher. She doesn't tell him she's pregnant, and he has a few secrets of his own. Mail Order Bride--The Widow Turns The Montana Rancher's Hardened Heart, presents the story of a widow with a new baby who decides to leave her small town and travel to Montana to be the wife of a Montana man she has never met. Her three children in tow, two of which are twin freed slaves, she immediately runs into a heap of trouble as soon as she arrives; meeting the rancher and his bitter son. Emily Seeks Out The Traveling Preacher, is the emotional story of a Southern woman, right before the Civil War, who is determined to find a childhood sweetheart in a traveling preacher. When he told her that his life was being an evangelist and that traveling across the country wasn't exactly a good life for a Southern lady, she told him that she wanted to join him in his ministry as she had attended school and learned all about preaching. That didn't suit him and he returned to Colorado. Even though sick, she began her travels to find and then marry him, by stagecoach, train, then eventually via wagon train along the Oregon Trail, accompanied only by a freed slave.

Narrative of the Life of Frederick Douglass, an American Slave, Autobiography of a Yogi - pb - THAI (Thai Edition), The Secrets of Power Negotiating: You Can Get Anything You Want {Six Audio Compact Cassette Tapes}, Rip the Page!: Adventures in Creative Writing, Soil Mechanics of Earthworks, Foundations and Highway Engineering: 3: (Handbook of Soil Mechanics), The 2013-2018 Outlook for Linux Servers and Software in Greater China, Simply Move It Novice: A Workbook for Figure Skating Moves in the Field, Made Simple,
