

## The Official Manchester United Book of Facts and Figures (MUFC)

Who scored United's first Premier League hat-trick? Which teams in the Football League have United never played? Who are the most surprising people to have pulled on the red jersey? These are just a few of the questions that are answered in this compelling book that will intrigue and surprise all lovers of trivia and statistics. For this book not only reveals the answers to the obvious questions, but also answers many more surprising ones, too. With almost 200 lists, this book provides a wealth of information and reveals those players who may not have been the very best in the club's history but came a very close second - some surprising names emerge from it all, bringing back memories of the stars of the past, and setting those of today in the context of the club's remarkable achievements.
