

The Knocked Up Lust Bundle

Please I don't want you to use protection. There's all kinds of lust in the world. Lust for virile, handsome men; lust for lovely, eager women; lust for hot, naughty fantasies that always seem just out of reach. The people in these six deliciously fertile tales are consumed with the overpowering lust for one thing, and one thing only to let their hot, aching bodies consummate their desires with no protection at all. That's right; the hot ladies in these stories need to be knocked up, and the men are only too happy to oblige them. The need to reproduce strikes in all kinds of places and situations between jilted lovers in an office (Helping Out Holly), in a three-way tryst between married neighbors and a gorgeous young babe (Putting Paige in her Place), in hot three-way loving between students and teachers (Two Sexy Students, One Stud Teacher AND Taken By Teachers), during a taboo stay at the house of a strong, rich stud (Lucy Learns Her Lesson), and even between a pimp and his newest hot lady (Working Girl Wendy). If this amazing bundle were filled with any more fertility, it would be making hot new stories on its own!
