

Microeconomics in Modules

With the acclaimed writing and teaching approach of Paul Krugman and Robin Wells, *Microeconomics in Modules* offers: A concise, accessible introduction to economics with 45 modules divided into 8 sections. A format that lets students explore economics at an effective pace on one essential topic at a time. Each module is easily readable in a single sitting. Updated coverage based on the Second Edition of Krugman and Wells, *Economics*, with same engaging features and writing that have made the Krugman/Wells a classroom favorite. Section-concluding Reviews and Problem Sets that help students tie together what they have learned from the modules in that section.
