This 12,000-word novelette contains powerful Christian influences, love, family and other related themes meant to make you smile! Mail Order Bride: Cowboy Brothers Find Beauty Within The Abused Sisters is a story of two sisters being taken out of an awful life of abuse and being shown true love. Since the start of their marriages, Susan and Caroline have endured years of abuse. They constantly pray to God for their husbands to change, with no improvement. Beginning to lose hope and fearing for their lives, the abused sisters begin to think that God has not heard their prayers. Soon after, the women come across a mail order bride advertisement from a pair of God-fearing cowboy brothers from California. They begin to realize that this is their ticket out of their horrible lives. They begin a secret correspondence via mail with the cowboys, that turns into more than just an escape plan. The women and men begin to feel God moving in their hearts to be with one another, resulting in the sisters traveling west to California. After they arrive, each brother and sister couple immediately fall for one another. However, there has been a big avoidance of truth this entire time. The sisters need to reveal that they are married and have fled from their abusive homes. Little does anyone realize, that the abusive husbands have learned of the women fleeing and are on their way to confront the entire group.
